Senator Machen Asks Renomination.
To the Democrats of the Fourteenth Senatorial District:
I hereby smounce that I shall seek a renomination as State Senator at the democratic primary September 10th.
For many years it has been the custom in this district to return a Senator for a second term if he so desired, and I trust that a careful scrutiny of my official record will not disclose any reason for violating this custom at this time.

Having been a resident of Alexandria for more than 5 years, and having been for a much longer period associated in business and otherwise with the people of the city, it is natural to suppose that I understand its needs and could serve its interests in the legislature as well as some one who is not a resident and has had no legislative experience. I solicit the generous support of my home city.
